

Fahad Ikram

Nationality: Pakistani **Date of birth:** 26/11/2001 **Place of birth:** Gujrat, Pakistan **Gender:** Male

 **Phone number:** (+92) 3216902785  **Email address:** fahad.ikram26@gmail.com

 **Home:** Flat 4C, Block 4 Sector D, Askari 14, Rawalpindi (Pakistan)

ABOUT ME

An ambitious civil engineer with a strong foundation in design, construction, and problem solving. I am eager to contribute in innovative projects and improve outcomes through analytical thinking and technical expertise. I am committed to leveraging my skills to implement effective solutions and to further develop my expertise in the field of engineering.

WORK EXPERIENCE

 **Openspace.ai** – Islamabad, Pakistan

Junior Data And Project Operations Specialist

[16/06/2025 – Current]

- Organize and maintain construction related documents and drawings with version control.
- Annotate technical drawings using Figma to ensure clarity and traceability for project teams.
- Collaborate with engineers and architects to streamline workflows and improve project efficiency.
- Utilized digital platforms to support documentation and reporting.

 **Frontier Works Organization (FWO)** – Jagraan, Pakistan

Trainee Engineer

[15/07/2024 – 26/08/2024]

- Managed day-to-day operations for construction of a 48 MW Hydropower Project.
- Supervised the construction of major components including a Headrace tunnel, Desander and Weir of the Dam.
- Coordinated and scheduled material delivery.
- Coordinated with consultants for design changes in the project to make it more cost efficient and easier to implement.

 **Defense Housing Authority, Islamabad** – Islamabad, Pakistan

Intern

[03/06/2024 – 12/07/2024]

- Supervised excavation and raft foundation work for a B+G+13 building project and conducted site inspections to verify adherence to safety and quality standards.
- Involved in cost estimation, helping to prepare budgets for materials, labor, equipment, and other project expenses.
- Conducted laboratory experiments which included Field Dry Density Test in compliance with ASTM T-191 and Compressive strength test according to ASTM C-39.

EDUCATION AND TRAINING

BE Civil Engineering

National University of Sciences and Technology [08/11/2021 – 01/06/2025]

City: Islamabad | Country: Pakistan | Website: <https://nust.edu.pk/> | Final grade: 3.30 | Level in EQF: EQF level 6

LANGUAGE SKILLS

Mother tongue(s): Urdu

Other language(s):

German

LISTENING A1 READING A1 WRITING A1

SPOKEN PRODUCTION A1 SPOKEN INTERACTION A1

English

LISTENING C2 READING C2 WRITING C2

SPOKEN PRODUCTION C2 SPOKEN INTERACTION C2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

Civil-3D / Synchro Traffic / AutoCad 2D -3D / SIDRA Software / Primavera P6 (Resource Management) / Geographical Informational Systems (GIS) / Python Language - Basic knowledge / Matlab/Simulink / C+ plus / Microsoft Office / Figma

Workplace Skills

Project-Management / Project-planning / Quantity & Cost Estimation / Strategic Thinking / Health and safety management / Team management & Team work

PROJECTS

[09/09/2024 – 01/06/2025]

Final Year Project - Framework design for Road Safety Audit Of Islamabad

- Performed safety inspection and gathered road data for Sirinagar Highway in Islamabad to make a safety inspection report.
- Developed our own app to calculate star ratings to rate the roads in Islamabad.
- Provided recommendations aligned with UN global voluntary targets and activities at national level to governing body.

[01/02/2025 – 04/2025]

Design Of Open Channel Canal System to Irrigate Agricultural Land

- Determined the water demand of the agricultural land according to the soil condition, type of crop and climate variations.
- Designed an efficient canal by using modern techniques.
- Determined efficiency of the conventional canal system with a canal having an operation and control plan.

[01/05/2024 – 30/05/2024]

Evaluation of Intersection and Signal Timing Design

- Evaluated and designed signal timing plans for an intersection in Islamabad to optimize traffic flow.
- Simulated traffic conditions for signalized intersection and converted it to roundabout.
- Evaluated the road conditions for 10 years.

[02/11/2023 – 10/12/2023]

Cafe Renovation Project

- Designed, Scheduled and Planned a Cafe Renovation project.
- Prepared the budget for the construction by making Bill of Quantities and Summary Sheets.
- Completed work scheduling and prepared proper timeline for the project.

[05/02/2024 – 30/04/2024]

Marshall Mix Design

- Conducted Marshall Mix Design to determine optimal mix proportions and improve pavement performance.
- Prepared proper lab reports for the tests conducted.

[19/03/2024 – 05/06/2024]

Mix Design Of Concrete

- Prepared Mix Design of concrete for different provided conditions.
- Tested and compared different design parameters of the concrete.

[01/05/2024 – 01/06/2024]

Creating a Model for a Sustainable Multi-Storey Commercial Building in Balochistan

- Developed a cost-effective plan for a multi-storey hospital building on AutoCAD, simulating a flood affected area in Balochistan.
- Provision of proper plumbing and electrical connections was made. We also rendered the same plan into a 3D model on Revit.

MANAGEMENT AND LEADERSHIP SKILLS

Coordinator Operations - National Literary Festival

Supervised 4 different teams ensuring proper team planning and management for a 3 day national event in university. Invited and entertained national level poets and artists during the event.

Director Admin Coordination - NUST Olympiad

Successfully led a team of 12 members for preparation and management of minute sheets and ensured their approval during NUST Olympiad a 3-day sports event. The event was attended by multiple universities and colleges. It had different sports tournaments, workshops and competitions.

Executive Human Resources - NUST Cultural Fest

Managed and Coordinated with the teams ensuring proper communications and discipline among the organizers for NUST Cultural Fest. The event had different cultural representations from all over Pakistan showcasing their culture through dance, fashion, music and food.
